

ELECTRIC LEAGUE OF ARIZONA

SPRING 2008 NEW CLASS

SOLAR PHOTOVOLTAIC WIRING & CODE FUNDAMENTALS

Date: Saturday, February 9, 2008
 Time: 8:00am – 3:00pm
 Instructor: James Egan
 Fees: \$165 Members/\$195 Non-Members (Fees include lunch and handouts)

Discover the exciting world of Solar Photovoltaics. Learn about PV electrical and operational fundamentals, codes, applications and opportunities in this growing industry. This course will cover basic installation methods, the technology behind PV, basic system sizing, components of a typical PV system and the NEC requirements for compliant and safe installation.

Who Should Attend: A valuable class for anyone interested in solar electricity and renewable energy concepts. It will help apprentices, journeymen and contractors increase their skill-set in a rapidly growing facet of the electrical industry.

Note: Please bring a copy of the 2005 National Electric Code to class. A limited supply will be sold at class.
